WELCOME! And thank you for choosing Green Apple Catering as your caterer. We are pleased to introduce our new catering menu.

WHY GREEN APPLE CATERING?

We've got the experience. Day after day, our clients expect, and receive, the highest degree of quality, variety and consistency. These same qualities are the very foundation we bring to Green Apple Catering. Your business will always be appreciated, your requests will be filled in a timely and professional manner, your desires will be met and exceeded and, finally, your expectations will be changed forever.

WE'RE A CORPORATE CATERER with a sense of humor. We're really good at what we do. Our goal is to bring you the best breakfast, lunch, snack in town. We're not your normal catering company by any stretch. We're never late. We'll only cater a couple of weddings and maybe a bar mitzvah a year. What we skip on the social scene, we make up on corporate scene. We cater a lot of meetings, open houses, and cocktail receptions. The difference between us and the other guy is our food is really good. People can't believe it. Imagine homemade jam & warm scones at your next Meeting. Wouldn't that be great?

The key to our success is in understanding the needs of our clients, identifying the vision for the event and executing it with flair and style. The care and thought that goes into the planning of your affair will be apparent to your guests from their arrival to the last bite of dessert. We immerse ourselves in the details so that you can enjoy your event without worry. Nothing is overlooked and no detail is too small.
